Urban Forestry Management Course

Sept. 15, 2011

Fire Hall
1025 M Street
Gering

Oct. 11, 2011

Howard Johnson
3333 Ramada Road
Grand Island

Feature Topics Will Include:

- Basics of Urban Forestry Management
- Line Clearance
- Proper Pruning
- General Safety
- Chain Saw Use/Safety
- Load Securement

The instructional format will primarily consist of the use of a PowerPoint video, class discussion and practical application. This course provides a good foundation for parks workers, electric line-workers and any other utility worker working with trees and shrubs in their municipality. Many of our trees are getting old, much like our other municipal infrastructure, and need attention to minimize liability and enhance the aesthetics of our communities.

Cost: \$40 for Utilities Section members (includes lunch)
\$55 for non-members (includes lunch)

Registration: 8-9 a.m.

Classes: 9 a.m.-3 p.m.
