2011 Electric Underground Schools

About the school

The Electric Underground Distribution Schools are sponsored annually by the League of Nebraska Municipalities Utilities Section and the Nebraska Rural Electric Association. Participants will learn construction and repair techniques while performing a variety of hands-on exercises. Experienced journeymen lineworkers are on hand as instructors.

Who should attend

The Electric Underground Distribution Schools are for all electric or lineworker/technicians who are dedicated to the electric distribution industry and would like to further their knowledge in order to keep in stride with the rapidly changing technology that is challenging both apprentice and expert technicians.

Registration and Fees

Participants are encouraged to **preregister** so meals and equipment can be arranged. Registration will be available at the door between 8 and 9 a.m. The registration fee is \$285 per person for members and \$325 for nonmembers, which includes meals and all learning materials.
