

CHEMICALS

- CH-001** **WHAT THE WARY ONES WEAR.** VHS/18 min. Shows the various types of clothing and protective equipment used when working with and applying pesticides and herbicides.
- CH-002** **SIGNS AND SYMPTOMS OF PESTICIDE EXPOSURE.** VHS/13 min. Explains some of the signs and symptoms that occur when exposed directly to harmful chemicals and what type of action should be taken.
- CH-003** **PROTECTING GROUNDWATER FROM PESTICIDES.** VHS/18 min. Discusses techniques used to prevent pesticides from contaminating groundwater resources. Also discusses types of pesticides, their characteristics and their effect on groundwater.
- CH-004** **PESTICIDE STORAGE.** VHS/17 min. This film shows the importance of good chemical storage programs and how properly operated storage facilities play a crucial role in the control of dangerous pesticides.
- CH-005** **INTRODUCTION TO CHLORINE.** VHS/30 min. The hazardous properties of water treatment chlorine are covered for utility personnel.
- CH-006** **CHLORINE SAFETY.** VHS/45 min. In-depth discussion of chlorine safety at wastewater treatment plants. (1988)
- CH-007** **RESPONSE ... EMERGENCY INCIDENT TRAINING.** VHS/25 min. City of Lincoln shows their chemical emergency response program in action during an actual chemical spill.
- CH-009** **SAFE USE OF WATER TREATMENT CHEMICALS.** VHS/22 min. Safe use and handling of an array of chemicals used in water treatment industry and how they are to be handled and stored.
- CH-010** **CHLORINE SAFETY.** VHS/22 min. Explains the dangers of chlorine, presents safety procedures, and covers chemical properties and storage. Also covered are safety equipment and emergency procedures. AWWA (1991)
- CH-011** **WORKING SAFELY WITH PESTICIDES.** VHS/18 min. Safe use and handling of an array of chemicals used in water treatment industry and how they are to be handled and stored. Univ. of Arizona-Ag Department and Arizona Ag Extension. 1989
- CH-012** **CHLORINE.** VHS/22 min. Discusses the dangers of chlorine, covers safety procedures, chemical properties and storage. Also covers safety equipment and emergency procedures. AWWA (1991)

- CH-013** **WORKING SAFELY WITH PESTICIDES.** VHS/18 min. Discusses the dangers of pesticides along with safety procedures, when handling, transporting and storing chemicals.
- CH-014** **THE CHLORINE SAFETY TOUR: A TRAINING GUIDE FOR CHLORINE EMERGENCY RESPONSE.** DVD/3 hours. Covers properties and emergency response with emphasis on tank cars, rail safety, tank car valves along with cylinders and ton containers. The Chlorine Institute. (2012)
- CH-015** **SAFE HANDLING OF SODIUM HYPOCHLORITE.** DVD/23 min. discusses the dangers of sodium hypochlorite, covers safety procedures, chemical properties and storage. Also covers safety equipment and emergency procedures. The Chlorine Institute. (2010)
