LEAGUE INSURANCE GOVERNMENT HEALTH TEAM (LIGHT)
CONFLICT OF INTEREST POLICY
FOR DIRECTORS, OFFICERS, AND RESPONSIBLE EMPLOYEES

I. Purpose.

The purpose of this document is to establish the policy for the League Insurance Government Health Team (LIGHT) for disclosure to the Board of Directors of any material interest on the part of all directors, officers, and responsible employees that is in conflict with or is likely to conflict with the official duties of such person.

II. Obligations of Directors, Officers, and Responsible Employees.

LIGHT officers and directors, and responsible employees have an obligation to make full disclosure of any conflict of interest as outlined in this policy.

The relationship of directors, officers, and responsible employees to LIGHT calls for the standard of undivided loyalty to LIGHT, especially those persons acting in a representative or fiduciary capacity. In furthering LIGHT's interests at all times, such persons must avoid placing themselves in a position where their personal interests are or may be in conflict with their duty to LIGHT.

Employees of LIGHT must also avoid personal interests, which are or may be in conflict with interests of any affiliated company or program.

This policy is not intended to serve as a complete list of instances that might give rise to conflicts of interest. In general, direct or indirect participation in any arrangement, agreement, investment, or other activity, which could result in personal benefit at the expense of LIGHT's interests, must be avoided. Directors, officers, and responsible employees should also refrain, as should members of their immediate families, from accepting gifts or other favors under circumstances from which it might be inferred that the gift was intended to influence them in the performance of their duties for LIGHT.

Specific examples of conflicts of interest are provided in Part V. of this policy.

III. Definitions.

Immediate family means children, stepchildren, parents, siblings, aunts, uncles, cousins or in-laws.

Relationship means any relationship or interest that shall yield, directly or indirectly, any monetary or other benefit that is not of nominal or minor value to an officer, director or responsible employee or member of his or her immediate family.

Responsible employee means any employee of LIGHT who has management responsibility for LIGHT.

IV. Procedures.

Each year the Executive Director, on behalf of the President, shall circulate to each director, officer, and responsible employee a copy of this policy and a Conflict of Interest Statement.

The director, officer, or responsible employee shall complete and sign the statement and return it to the Executive Director.

The Executive Director shall furnish all such statements to the President for review and report.

The Board shall annually review LIGHT's procedure with respect to conflict of interest and the Chairperson's report.

A director shall not vote nor act on behalf of LIGHT on matters where the director has any relationship unless authorized by a vote of the Board. An officer or responsible employee shall disclose any relationship to the Board prior to making a recommendation or participating in any decision in which the officer or responsible employee has a relationship or potential relationship.

An officer, director, or responsible employee may be removed from office for violation of this policy.

V. Examples of Possible Conflicts

While it is impossible to list every circumstance that gives rise to a possible conflict of interest, the following will serve as a guide to the types of activities that might cause conflicts and that should be fully reported to LIGHT.

A. Gifts, Gratuities and Entertainment

Acceptance by an individual (including members of his or her immediate family) of gifts, excessive or unusual entertainment, or other favors having a value in excess of \$100.00 from any outside concern which does, or is seeking to do business with, LIGHT under circumstances from which it might be inferred that such action was intended to influence the individual in the performance of his or her duties. This does not include the acceptance of items of nominal or minor value, which are of such a nature as to indicate that they are merely tokens of respect or friendship and not related to any particular transaction or LIGHT activity.

B. Investments and Financial Interests

1. Holding by an individual, directly or indirectly, of a material financial interest in any outside concern from which LIGHT secures goods or services (including the service of buying or selling stocks, bonds or other securities).
2. Competition with LIGHT by an individual, directly or indirectly, in the purchase or sale of property or property rights or interest.

3. Representation of LIGHT by an individual in any transaction in which the individual or a member of his or her immediate family has a financial interest.

C. Outside Activities by Officers or Employees

- a. Rendition by an individual of directive, managerial, or consulting services to any outside concern which does business with LIGHT.
- b. With respect to League employees, participation by an individual in any activity (whether for personal profit or incident to industry, civic, or charitable organization affairs) if it is likely to involve use of the individual's time during hours required for the conduct of LIGHT business.

D. Inside Information

Disclosure or use of confidential LIGHT information for the personal profit or advantage of the individual or anyone else.
