About the school

The Nebraska Meter Conference is sponsored annually by the League of Nebraska Municipalities Utilities Section in cooperation with the Nebraska Rural Electric Association. This year's conference features major manufacturers and local area electrical representatives.

The school will consist of concurrent sessions for 1 1/2 days. The presentations will highlight software technologies, installation procedures, safety practices, billing and related smart metering capabilities. Both days will feature meter manufacturers and regional company electric representatives to provide a well-rounded educational school no matter what electric meter or software package your municipality or rural public power district uses.

Who should attend

The *Nebraska Meter Conference* is for **all** electric, water and gas meter technicians or line-worker/technicians who are dedicated to the metering industry and would like to further their knowledge in order to keep in stride with the rapidly changing technology that is challenging both apprentice and expert technicians.

Registration and Fees

Participants are encouraged to **preregister** by no later than **Feb. 7, 2019** Registration also will be available at the door on Feb. 12 between 8:30 and 9 am. The classes will be held from 9 am-3 pm on Tuesday and 9am -12pm on Wednesday. Cost for Utilities Section members to attend this 1 1/2 day course is \$240 and \$315 for non-members. This includes one breakfast buffet, two lunches, and all learning materials.

Accommodations

For hotel reservations, contact the Kearney Holiday Inn 1-308-237-5971 and tell them you are attending the *Nebraska Meter Conference*. The conference standard room rate is \$99.95. (may get a lower government rate)
