| 1:00-2:00 pm   | Round-table Safety Discussion (emphasis on asbestos safety)   |
| 2:00-2:15 pm   | Break   |
| 2:15-3:00 pm   | Solid Waste Management Industry Update  |
| 3:00-4:00 pm   | If available and weather permitting:<br>Optional - Tour of Local Transfer Station and Landfill Operations |

Meets initial and annual retraining requirements for solid waste screening and hazardous materials identification for employees working in transfer stations, recycling centers, landfills and basic hazardous waste collection centers.

Participants will receive certificates of attendance for this one-day workshop.

**About the Workshop**

**Who Should Attend:** Solid waste employees working at transfer stations, landfills, gate houses, recycling centers and all other related departments or facilities.

The refresher on waste screening and hazardous materials identification meets Nebraska's requirements for transfer station and landfill employees.

We also would encourage attendance of all municipal officials who would like more information concerning the solid waste and recycling industry.

**Registration and Fee**

Participants are encouraged to register at least one week prior to the workshop date so a count for meals and handouts can be accommodated.

Registration also will be available at the door on location of the workshop. Fee for the workshop is **\$55** per person, which includes lunch and learning materials. Fee may be prepaid or direct billed.

To use the direct billing option, simply fill out a registration form and we will bill you or your municipality. We encourage this billing option because storms may increase the risk of cancellation.

**Send registration to:**

**League of Nebraska Municipalities**  
**1335 L Street**  
**Lincoln, NE 68508**
