About the Workshop

This League Water Operator's Training Workshop is designed for **all** water and wastewater operators who are dedicated to the water industry by keeping in stride with the latest in water/wastewater industry regulations and technology. We would also encourage attendance of all city officials such as city council members, board members, superintendents, etc., in order to gain further knowledge about the rapidly changing industry.

Credit toward recertification for **water operators (Grades 1-4)** – 5 hours and **wastewater** – 4 hours for attending a daylong seminar.

Registration and Fees

Participants are welcome to preregister no later than one week before attending the workshop of their choice. Registration also will be available at the door on location of the workshop. Fees for the workshops are \$20 per person which will include learning materials. These workshops have been discounted as lunch will be provided by Core & Main. Fee may be prepaid or directly billed. To use the direct billing option, fill out a registration form and we will bill you or your municipality.
